Clinical Sequelae
Cardiovascular disorder
Angina pectoris
Atherosclerosis
Cardiac arrest
Cardiac arrhythmia
Cardiomyopathy
Endocarditis
Heart Failure
Hypertensive disorder
Hypotension
Myocardial infarction
Myocarditis Pericarditis
Dermatological disorder
Alopecia and hair loss
Atopic dermatitis
Chilblains
Purpura
Skin eruption
Urticaria
Endocrine disorder
Hyperthyroidism
Hypothyroidism
Sexual disorder
Thyroiditis
Type-2 Diabetes
Gastrointestinal disorder
Gastrointestinal bleeding
Inflammatory Bowel Disease
Irritable bowel syndrome
Haematological disorder
Deep Vein Thrombosis
Immune and idiopathic hrombocytopeni
hromboembolis
Hepatic and Renal disorder
Acute Kidney Injury
Chronic Kidney Disease
End-stage Renal Disease
Hepatitis B
Hepatitis C
Pancreatitis
Immunological disorder
Guillain-Barré syndrome
Multi-system inflammatory syndrome
Multiple Sclerosis
Myasthenia Gravis
Sepsis
Malignancy disorder
Colorectal cancer
Liver Cancer
Lung cancer
Malignant neoplastic disease
Neurological disorder
Alzheimer disease
Bells Palsy
Encephalitis and encephalomyeliti
Epilepsy and Seizure disorder
Hemorrhagic stroke events
Impaired cognition
Ischaemic stroke events
Migraine
Olfactory and gustatory disorder
Parkinson's Disease
Transient cerebral ischemia
Respiratory disorder
Asthma
Bronchiectasis
COPD
Dyspnea
Empyema
Lung Fibrosis
Pleural effusion
Pneumonia
Pneumothorax
Pulmonary embolism
Pulmonary hypertension
Tuberculosis
