Long-term outcome in inherited nephrogenic diabetes insipidus

Sonia Sharma, Emma Ashton, Daniela Iancu, Marie-Francoise Arthus, Wesley Hayes, William van't Hoff, Robert Kleta, Daniel G. Bichet and Detlef Bockenhauer

Clinical Kidney Journal, sfy027, <https://doi.org/10.1093/ckj/sfy027>

In the original article, there was an inaccuracy within the reporting of a variant identified in patient 6 on the cDNA level in Table 1. Clinical and molecular details of the 33 patients with identified causative mutations. The variant annotation was listed as: "c.332C>T", "p.(Leu211Pro)". The correct annotation should be: "c.662C>T", "p.(Leu211Pro)".
