Acknowledgements

The following partners have played a valuable role in the co-creation of this storybook:

The North West Province Department of Education, Ngaka Modiri Molema District, South Africa.

The Department of Basic Education, Directorate: Rural Education, South Africa.

London South Bank University, United Kingdom.

The Economic & Social Research Council (ESRC) (ES/T005149/1), United Kingdom (funder).

In our country there are many cities, like Johannesburg, Pretoria and Durban. There cities attract immigrants to our country.

3

There are large gold mines in our country. They have caused immigrants from other countries to move to our country.

4

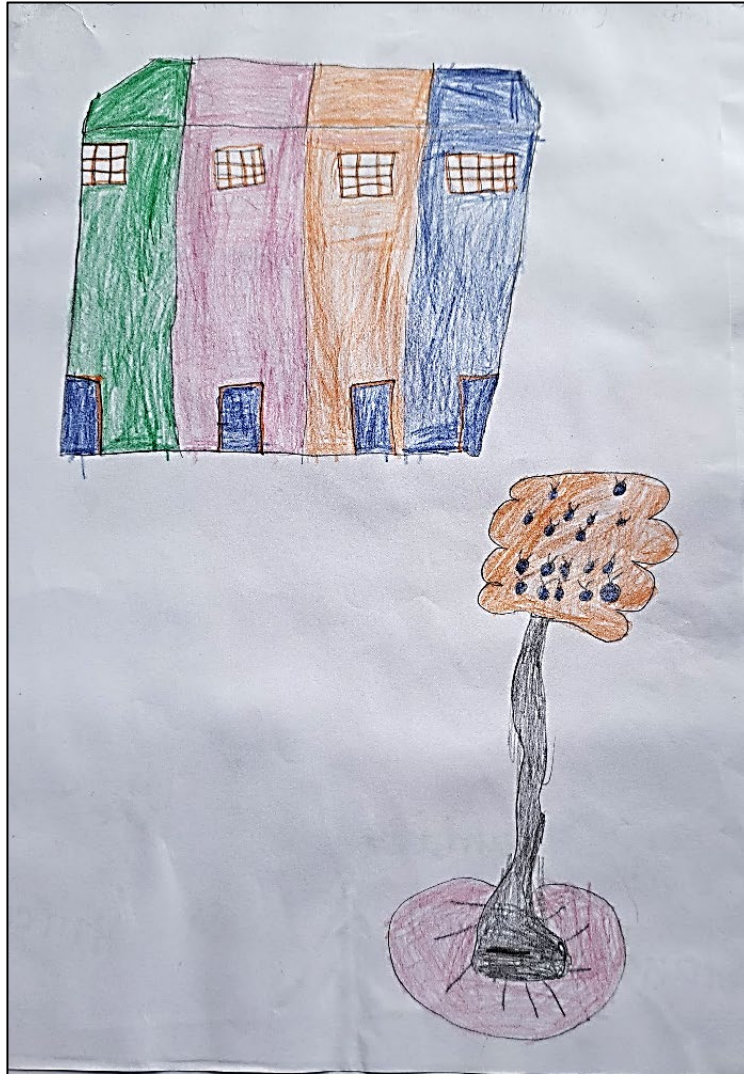

Some refugees do not want to return to their countries.

In our country, some industries need workers. No one from our country can work there.

Sometimes in our country, the right people for a job is not available. Immigrants fill those jobs.

The nearby countries
see the academic
standards in South
Africa as high.

In our country, we
have excellent
educational
institutions.
Therefore, some
countries send their
students to our
country.

We are very happy.
We are proud of our
country because it
has many attractions.

The contents of this booklet can be copied, translated or adapted as long as the relevant sources have been acknowledged properly.
