Our school is special  
because we are authors.

We did not have enough  
books to read.

The University of Pretoria  
and the UK helped us,  
giving us books to read.

They taught us how to  
write the books.

We drew pictures for our books.

We are happy because the University of Pretoria and the UK gave us books and taught us how to write books.

The contents of this booklet can be copied, translated or adapted as long as the relevant sources have been acknowledged properly.
