The following partners have played a valuable role in the co-creation of this storybook:

The North West Province Department of Education, Ngaka Modiri Molema District, South Africa.
The Department of Basic Education, Directorate: Rural Education, South Africa.
London South Bank University, United Kingdom.
The Economic & Social Research Council (ESRC) (ES/T005149/1), United Kingdom (funder).

Kesa is at school. "Children, we have a school trip to the zoo next month, the amount for the trip is R200. Give your parents the letters", says the teacher.

Kesa is at home. "Mother and father, there's a school trip to the zoo to see the animals next month. Here is the letter. The amount for the trip is R200".

Kesa is taking off her school uniform. Kesa's mother told Mr Jameli, "We do not have enough money to pay for the school trip to the zoo. What do we do now?" Mrs Jameli replied, "I think if we sell fruit and vegetables, we will be able to pay for the trip".

Mr Jameli is at the Setlopo taxi rank selling fruit and vegetables. "Fruit and vegetables that are delicious and also good for your body, you can only find them here!" said Mr Jameli, but people just passed by without looking.

Mr Jameli is at home, but he does not look happy. He tells his wife, "The selling did not go well. People were just passing as if I was not there. Let us forget about this little business." "No, Jameli, let us sing a song to attract customers," said Mrs Jameli.

Mrs Jameli calls out, "Mr Jameli, come let us create a song to attract customers". They made a song together. They sang, "We are selling, we are selling fruit and vegetables, we are selling. They are good and delicious, we are selling".

Mr and Mrs Jameli are at the Setlopo taxi rank. Mr Jameli is playing his guitar while they are singing, "We are selling, we are selling fruit and vegetables, we are selling. They are good and delicious, we are selling". People were excited, and many of them were buying.

They are happy to tell Kesa that they did well. "Kesa, everything went well. We will even buy food for you for the trip", her mother said happily, jumping with joy. Kesa loudly shouted, "Thank you!" while holding her parents' hands.

Mrs Jameli is talking to Mr Jameli. "I loved this selling business, and it gave us a lot of money. I would love for us to continue with it". Mr Jameli replied, "You just read my mind. I want us to continue with the business too". He said this with joy.

The contents of this booklet can be copied, translated or adapted as long as the relevant sources have been acknowledged properly.
