The following partners have played a valuable role in the co-creation of this storybook:

The North West Province Department of Education, Ngaka Modiri Molema District, South Africa.

The Department of Basic Education, Directorate: Rural Education, South Africa.

London South Bank University, United Kingdom.

The Economic & Social Research Council (ESRC) (ES/T005149/1), United Kingdom (funder).

Lebo is a girl who loves walking around, playing with her toys.

One day she was playing with her ball at her home on the farm, while her mother was busy cooking.

5

She kicked the
ball so hard
that it went rolling
towards the river.

6

She followed the ball
while it was rolling
between the trees.

When she caught the ball
it was near the river
and Lebo saw a woman
and child fetching water.
She hid behind a tree.

Karabo realised that there was someone behind the tree and she started calling, “Come here!”

Lebo ran because she didn't know who was calling her and she started crying.

Karabo went to Lebo
and comforted her
while she was crying and
they went with
Karabo's Mother,
Lisa.

They walked together playing with the ball along the way, while they were following Lisa. Lebo was so happy that she has a friend.

They met Lebo's mother on their way home, she was looking for Lebo. She was happy to find Lebo and that she was safe. They went home together.

The contents of this booklet can be copied, translated or adapted as long as the relevant sources have been acknowledged properly.
