London South Bank University, United Kingdom.  
The Economic & Social Research Council (ESRC) (ES/T005149/1), United Kingdom (funder).

Amo and Ati live together at home in the village of Setlopo.

Their friends, Nomsa, Tumi, Pule and Jabu, arrived at Amo and Ati's house. "Hello, friends!" said Amo and Ati. The friends joyfully answered, "Hello Amo and Ati, are you well?" Jabu asked. "Yes, we are fine", Ati replied.

"Oh, friends, what are we going to play today?", Pule asked. "We are going to play rope skipping", Amo replied to Pule. "Yes, I even saw a skipping rope behind the door", Ati said, running to the house.

"We are going to play with the skipping rope". They ran to the field. Tumi and Ati are the ones who swing the skipping rope, while Amo, Nomsa and the others are jumping one after another.

Amo stumbled on a rock,  
and she fell down, "Ouch!".  
Ati and Pule ran to her.  
"Oh no, Amo is hurt!",  
Tumi shouted.

Amo's friends helped her to stand up. Ati is so sad to see his sister hurting. "Oh no... my sister Amo is hurt."

Jabu is massaging her. Ati runs to the house to tell Amo's mother about her injury. "Oh ... my daughter, come let me take you to the clinic", her mother talks while going to Amo.

They walk slowly to the clinic. At the clinic, the doctor examines Amo and gives her medicine.

Amo and her mother arrive home and found Ati and her friends. They are happy to see Amo, and she seems fine.

The sun is going down, and Amo and Ati's friends are returning home. They are going home happy because Amo and Ati are also happy and jumping around.

The contents of this booklet can be copied, translated or adapted as long as the relevant sources have been acknowledged properly.
