Acknowledgements

The following partners have played a valuable role in the co-creation of this storybook:

The North West Province Department of Education, Ngaka Modiri Molema District, South Africa.

The Department of Basic Education, Directorate: Rural Education, South Africa.

London South Bank University, United Kingdom.

The Economic & Social Research Council (ESRC) (ES/T005149/1), United Kingdom (funder).

Thabang is eight years old.
He lives with his mother
and sister in Ramosadi
village.

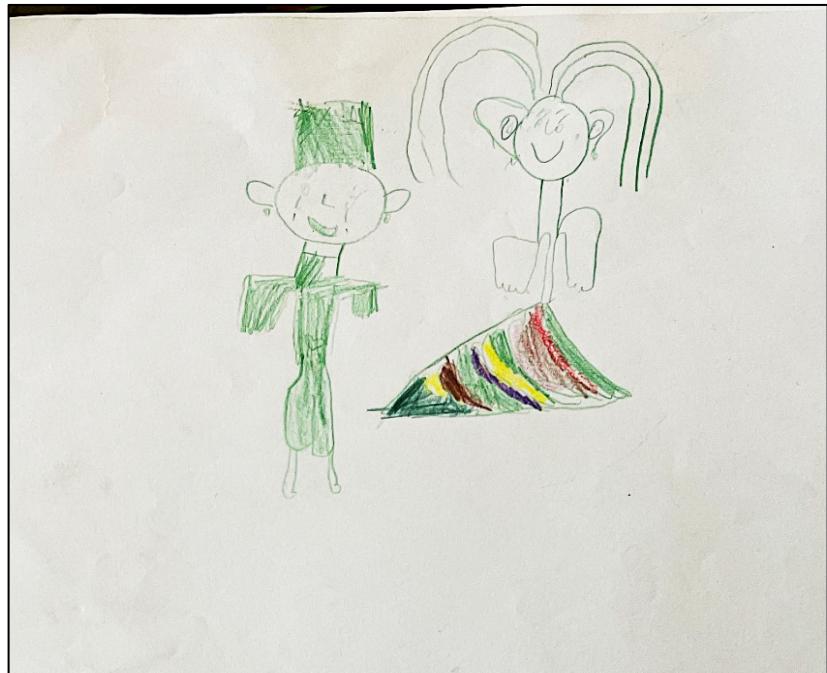

3

Their house has five rooms.
It is Thabang's bedroom,
Keitumetse's and their
mother's bedroom. There
is also a kitchen and lounge.

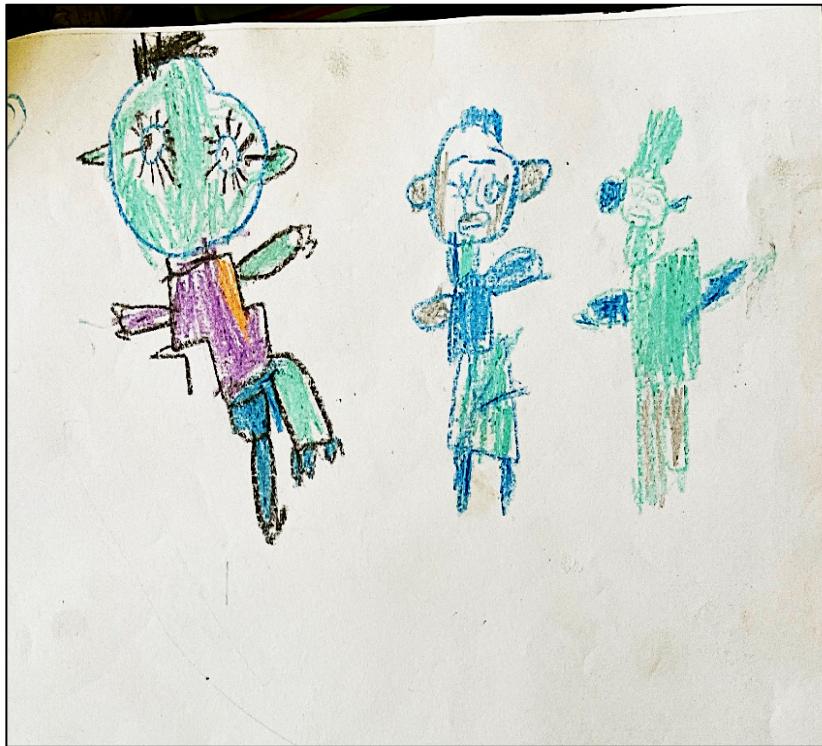

4

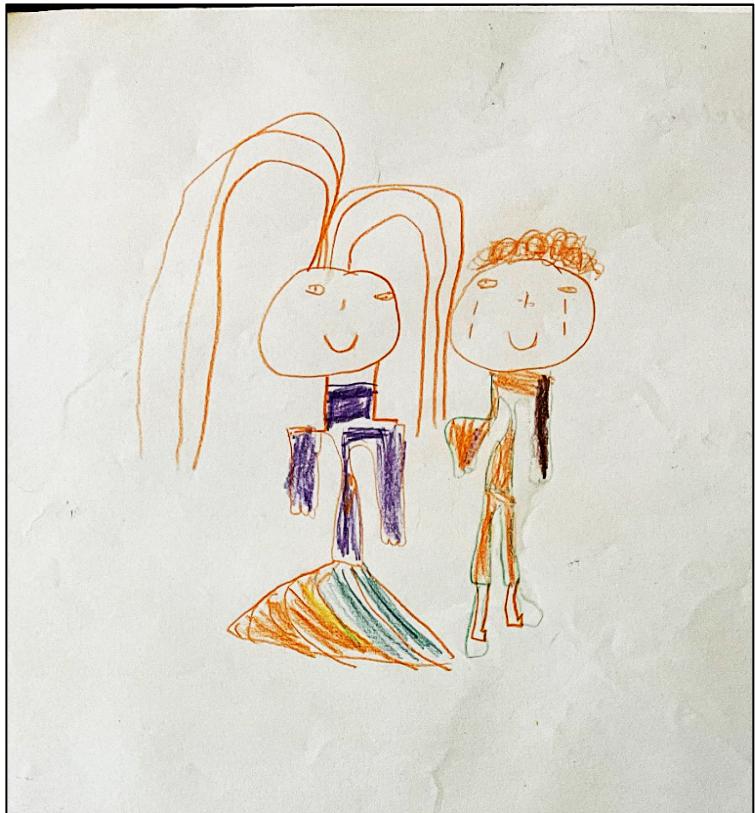

The kitchen is cleaned by
Thabang and Keitumetse.
The other rooms are
cleaned by their mother.

Once Thabang woke up upset. He refused to clean the kitchen. His reason was that Keitumetse was cheating him when it came to cleaning the kitchen.

He explained that he cleaned the kitchen more than Keitumetse did. The two fought.

Their mother reprimanded them. She explained that they were not supposed to fight like that.

Their mother came up with a solution to their problem. She told them that Thabang must clean the kitchen for three days and that for the other three days, it must be cleaned by Keitumetse.

/5

Their mother volunteered to clean the kitchen on the seventh day.

/6

Keitumetse and Thabang
were happy with that idea.
They were cleaning the
kitchen equally.
