Due to a production error, the **Funding statement** for this article was omitted:

“We would like to thank the funders that supported us, in particular FARA (Bronya J. Keats International Research Collaboration Award) and an NIH grant we received (4R33NS106719-03 Pharmacodynamics and *in vivo* efficacy of fumarate for mitochondrial disease *in vivo*). Besides, we would like to acknowledge the UCLH/UCL for which PG works and receives a proportion of funding from the Department of Health's NIHR Biomedical Research Centers funding scheme, and the support given by the CRN: North Thames, National Institute for Health Research.”
