Estimates of burden and consequences of infants born small for gestational age in low and middle income countries with INTERGROWTH-21st standard: analysis of CHERG datasets

OPEN ACCESS

In this paper by Lee and colleagues (BMJ 2017;358:j3677, doi:10.1136/bmj.j3677), we incorrectly provided India as the

country in the second affiliation of one of the authors, Zulfiqar A Bhutta. Karachi is, of course, in Pakistan.
