I have learnt a lot
about rights and
responsibilities
because I did not
know about them.

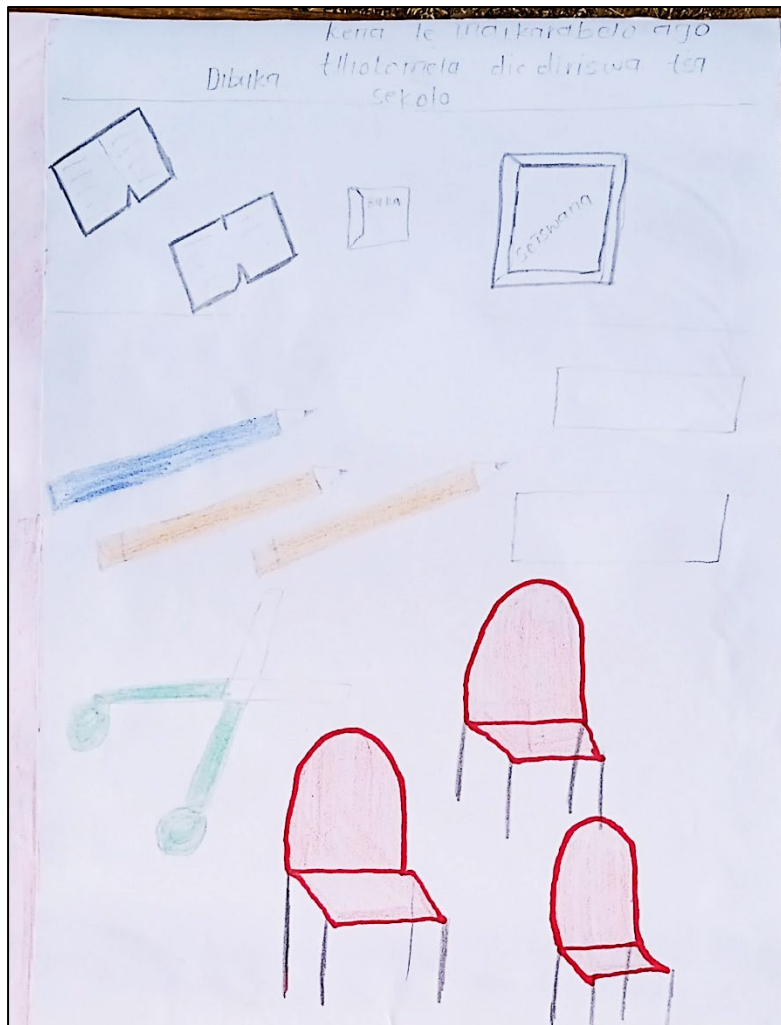

I have a responsibility
to respect the
elderly.

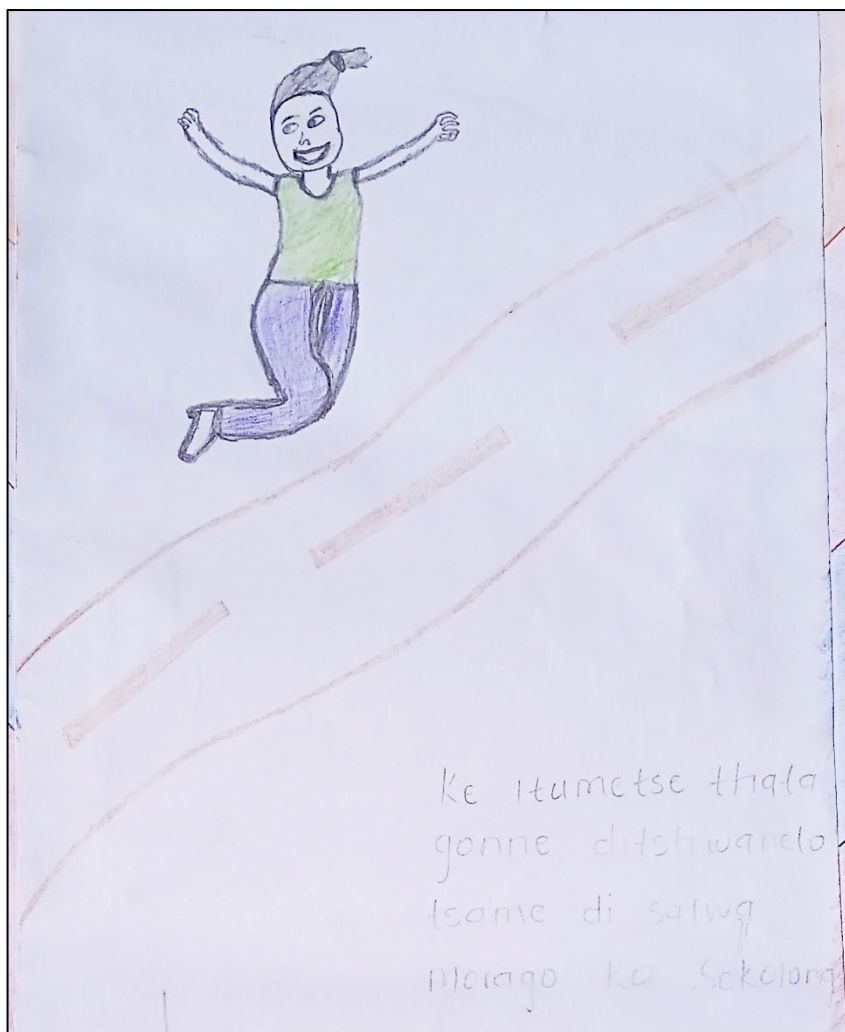

I have a right to have
food.

I have a right to see
the doctor.

I have a responsibility
to take care of my
school materials.

I am very happy
because my rights are
being respected at
school.

It is my responsibility
to do my schoolwork.

Kago and Tsholo were talking about rights and responsibilities after school.

We are learning about
rights and
responsibilities at our
school.

Now I know about
my rights and
responsibilities.
