The Department of Basic Education, Directorate: Rural Education, South Africa.
London South Bank University, United Kingdom.
The Economic & Social Research Council (ESRC) (ES/T005149/1), United Kingdom (funder).
Lotlamoreng Primary School entered a music competition.
Teacher Thontsi started a music choir and trained them.
Boitumelo led the songs in the choir. She has a sweet melodic voice like a bird.
A few days before the competition, she caught the flu. The choir members wondered if they could win the competition.
Teacher Thontsi wondered what to do. She came up with an idea. She asked other teachers to contribute money for Boitumelo to visit the doctor.
Boitumelo could go to the doctor. She got medicine. She became well.
The day of the competition arrived. The choir was excited. They won a trophy.
The school principal, Mr. Maduo, was very happy. The choir made him proud by winning.
He organised a celebration. He invited parents to come and see the trophy and to hear their children’s singing. One woman excitedly recited a poem when they heard the beautiful melody.
There was a lot of joy, ululating, whistles and drums. The excitement was very high. It was a celebration.
