I attend school at
Mokaila
Primary school in
Letlhogori Village.

When we arrive at
school, the teachers
teach us to
pray, read and write.

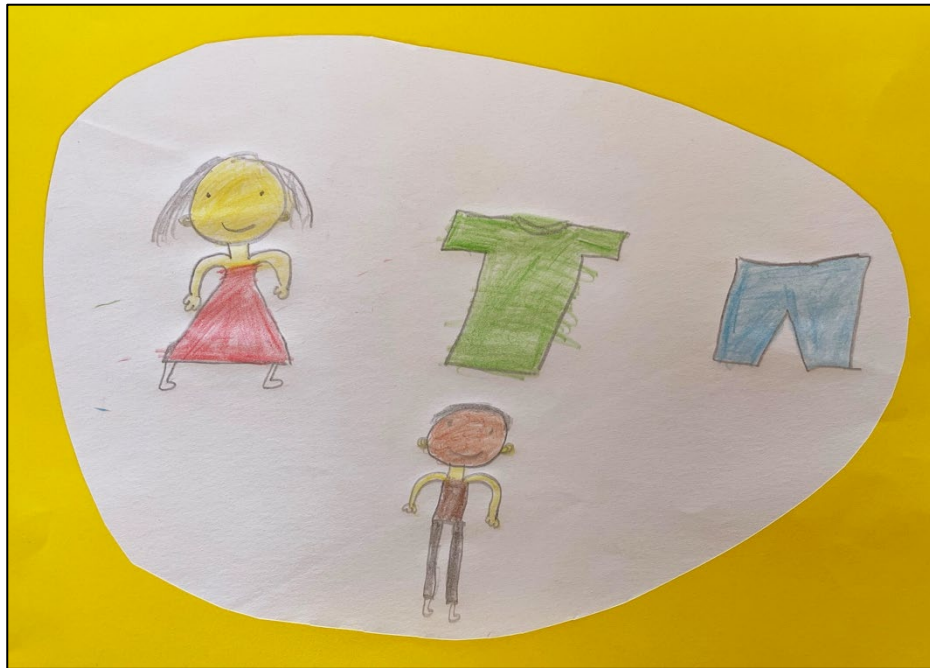

The teachers teach us to exercise and to eat healthy food. We must always be clean.

Some learners arrive late at school, and others do not come to school at all because they do not have school uniforms.

Some of the learners bully each other.

The teachers were able to arrange transport for learners to arrive on time. They gave school uniforms to the learners who did not have any. The learners are no longer fighting with each other.

Learners were very happy
when they came to school
on time.

15

Learners love to learn
because education is the
key to everything.
