London South Bank University, United Kingdom.
The Economic & Social Research Council (ESRC) (ES/T005149/1), United Kingdom (funder).
There is a boy called Olesego who attends school at Retlametswe.
Olesego does not know how to speak. He uses his hands to speak, as he is mute.
Although he is mute, he has two friends, Reatlegile and Kutlwano, that love him a lot.
Kutlwano and Reatlegile taught themselves how to speak using their hands.
His friends know how to speak with him using their hands.
By teaching themselves to speak using their hands, they made Olesego feel special.
Olesego’s friends make him feel very important.
Olesego feels special because of his friends who support and love him.
He used his hands to speak
