Letlhogori is a beautiful village.
The chief of Letlhogori village is Mr Kabelo David Mokaila.
It is a village that is rich in plants and animals.
Some trees have beautiful flowers.
Some community members destroy and cut the trees and also kill the animals.
The chief and his council were informed about these horrible actions.
The community was scolded by the chief and his council. The community pleaded guilty and apologised.
The chief and his council accepted their apology.
The trees started to grow more and the animals increased in numbers.
