There are four pigs called Buntu, Ginger, Dintle and Boisa. They live in a pigsty at Koi-Koi.

The pigs like different things.

Dintle likes to clean.

Ginger likes to read. Boisa
likes to sit with him and
listen as he reads.

Buntu likes sitting alone
knitting.

Because of their differences, they spend most of their time apart.

They all agreed that
every day at 5 o'clock
they will meet to do what
they all love.

It is 5 o'clock, and they are very happy because they are together playing in the mud.

The contents of this booklet can be copied, translated or adapted as long as the relevant sources have been acknowledged properly.
