Our community has different shops.
Shops in the village help us because they are nearby, unlike the shops in town. We buy many things like bread, teabags and milk.
Our community has different schools. We walk to school because it is close.
Our community has a hospital. When we are sick, we walk to the hospital.
The doctor gives us medicine so that we get well.
Our community has elders and children who love each other very much.
Our community has a variety of services
