## Acknowledgements

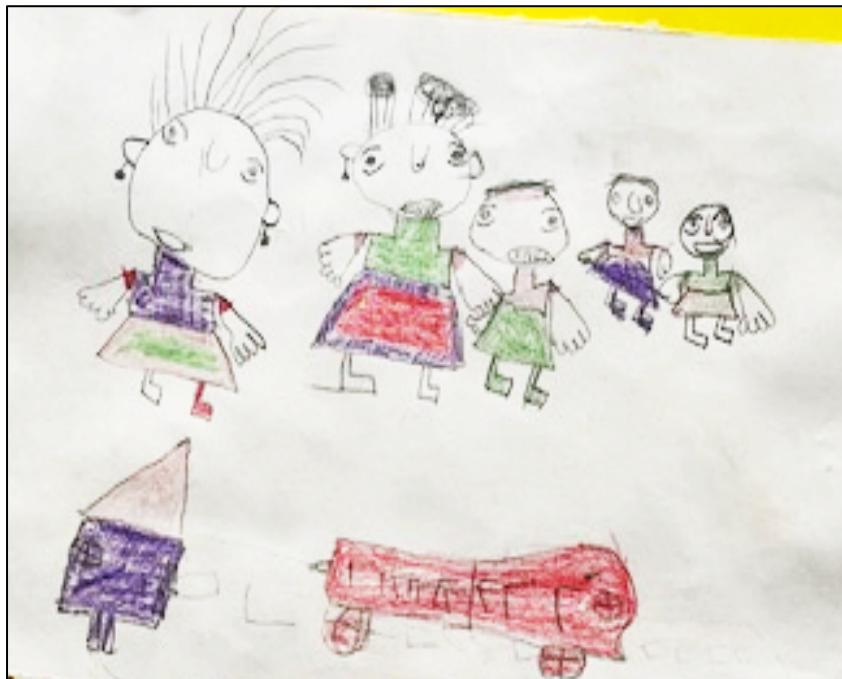

The following partners have played a valuable role in the co-creation of this storybook:

The North West Province Department of Education, Ngaka Modiri Molema District, South Africa.

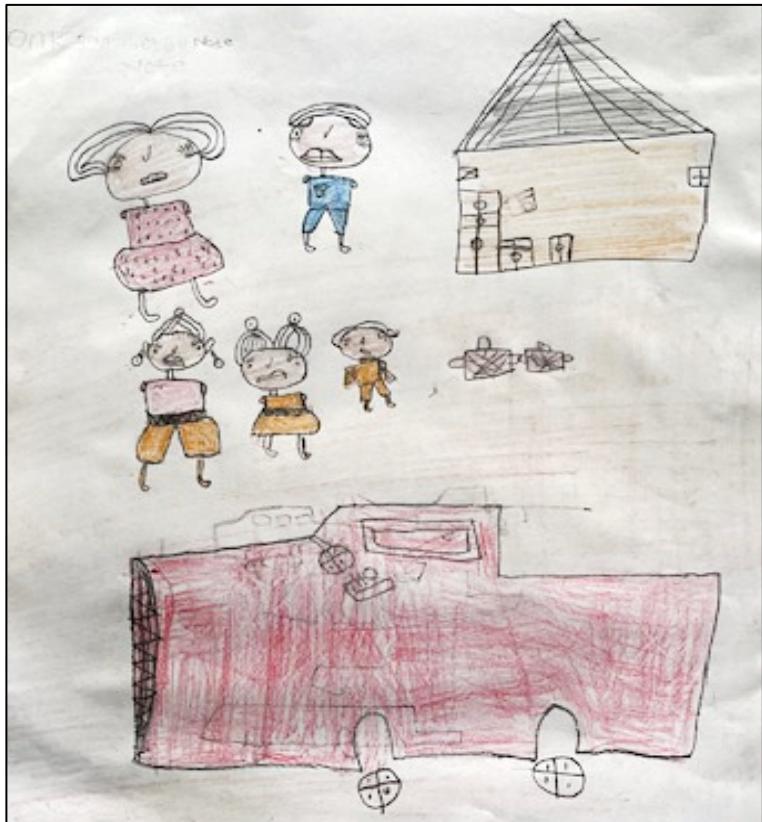

The Department of Basic Education, Directorate: Rural Education, South Africa.

London South Bank University, United Kingdom.

The Economic & Social Research Council (ESRC) (ES/T005149/1), United Kingdom (funder).

It is the school holidays.  
We will spend the holiday in  
Vryburg.

We packed our bags. My father and brother put the bags in the car.

We get in the car. My father plays nice music. We are having a good time, singing along as we leave Madibe village.

The road is very long.  
There are many cars on  
the road. I see large fields.

The car is moving slowly,  
“We ran out of petrol!”  
says my father. My  
mother and sister asked,  
“What are we going to  
do?”

“I have a plan,” says my father while taking an empty bottle out.

13

“I will ask for a lift in another car and go to buy petrol at the nearest petrol station”.

14

15

After a while, my father  
came back with petrol he  
bought.

16

My father pours petrol  
into the car. We continue  
with our journey.

We have arrived in Vryburg. Our relatives are happy to see us, and we are happy to see them. They even bought us gifts.
