The people of Motlhabeng  
village love each other.  
They help each other all  
the time.

Katlego and his parents  
live in the village.

Katlego and his family have many cows that had milk.

They help people in need  
from the community by  
giving them milk.

There were two boys,  
that were stealing from  
people in the community.

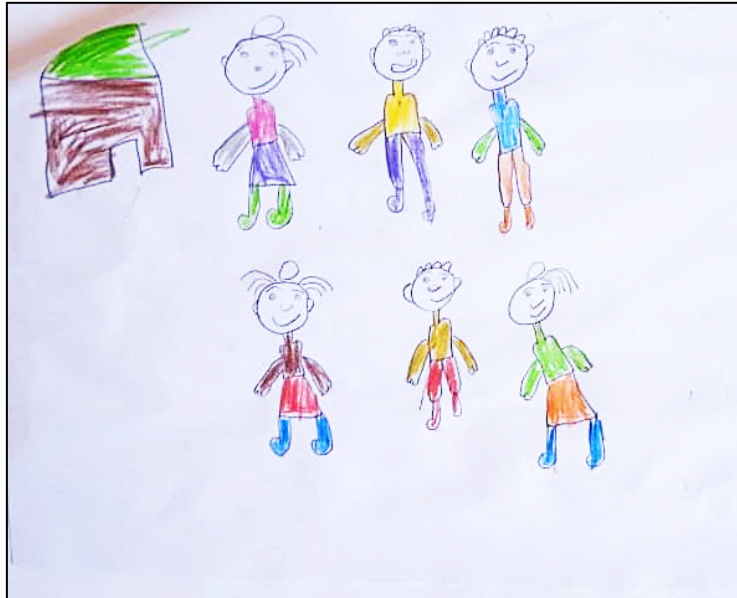

Every night they would go to Katlego's house to steal milk.

Katlego's father caught them stealing milk. He asked them why they were stealing instead of asking nicely.

They told him they were hungry and did not have anything to eat.

Katlego's father told them they should come and get milk whenever they were hungry. After this, there was less theft in the community.
