The Economic & Social Research Council (ESRC) (ES/T005149/1), United Kingdom (funder).
Lebo is a girl who loves walking around, playing with her toys.
One day she was playing with her ball at her home on the farm, while her mother was busy cooking.
She kicked the ball so hard that it went rolling towards the river.
She followed the ball while it was rolling between the trees.
When she caught the ball it was near the river and Lebo saw a woman and child fetching water. She hid behind a tree.
Karabo realised that there was someone behind the tree and she started calling, “Come here!”
Lebo ran because she didn’t know who was calling her and she started crying.
Karabo went to Lebo and comforted her while she was crying and they went with Karabo’s Mother, Lisa.
They walked together playing with the ball along the way, while they were following Lisa. Lebo was so happy that she has a friend.
They met Lebo’s mother on their way home, she was looking for Lebo. She was happy to find Lebo and that she was safe. They went home together.
When I am with you
