In a small village called Bodibe, there was a dog called Bobe. Bobe stayed with his family.

Bob had a magic bone
which he used to do magic.

One day, Bobe and his family went for a walk in the park.

It started to rain while
they were in the park.
They ran home.

Bob forgot his bone at the park. The bone got washed away into the forest by the rain.

After the rain stopped,
Bobe looked for his bone,
but did not find it. They
went to the park to look
for the bone, but it was
not there.

Bobe ran to the forest,
sad and crying.

The family went after him.
His owner saw something
shining. It was Bobe's bone.
Bobe was very happy.
