My mother has a house in
Lomanyangeng village.

In my mother's house we
stay with our family: my
mother, my father, my
sister and me.

.

My mother's house is very small and it is leaking.

One day it was raining heavily. The house was leaking, breaking my mother's heart.

The mother and the father agreed to renovate our house.

They saved money and were able to renovate the house.

We started to live happily
in a house that was
spacious and safe.
