In the home that I love,  
there are two parents.

My parents raised me with  
love.

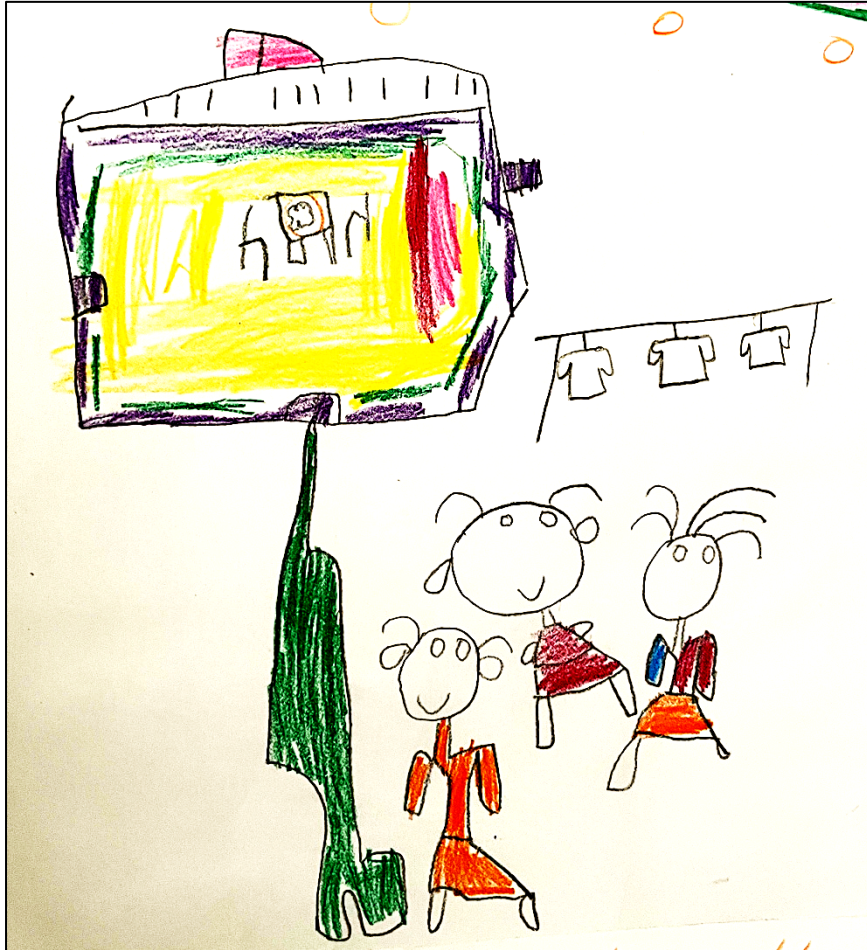

I realised, that having  
parents that love you,  
teaches a child to stay at  
home. It teaches a child to  
love their home.

That is why I love my home  
where I live with my  
parents.

In my home that I love, I  
learned a lot of things,  
such as cooking and doing  
laundry.

My home, is where I find  
happiness.
