Thabang is eight years old. He lives with his mother and sister in Ramosadi village.
Their house has five rooms. It is Thabang’s bedroom, Keitumetse’s and their mother’s bedroom. There is also a kitchen and lounge.
The kitchen is cleaned by Thabang and Keitumetse. The other rooms are cleaned by their mother.
Once Thabang woke up upset. He refused to clean the kitchen. His reason was that Keitumetse was cheating him when it came to cleaning the kitchen.
He explained that he cleaned the kitchen more than Keitumetse did. The two fought.
Their mother reprimanded them. She explained that they were not supposed to fight like that.
Their mother came up with a solution to their problem. She told them that Thabang must clean the kitchen for three days and that for the other three days, it must be cleaned by Keitumetse.
Their mother volunteered to clean the kitchen on the seventh day.
Keitumetse and Thabang were happy with that idea. They were cleaning the kitchen equally.
