Acknowledgements

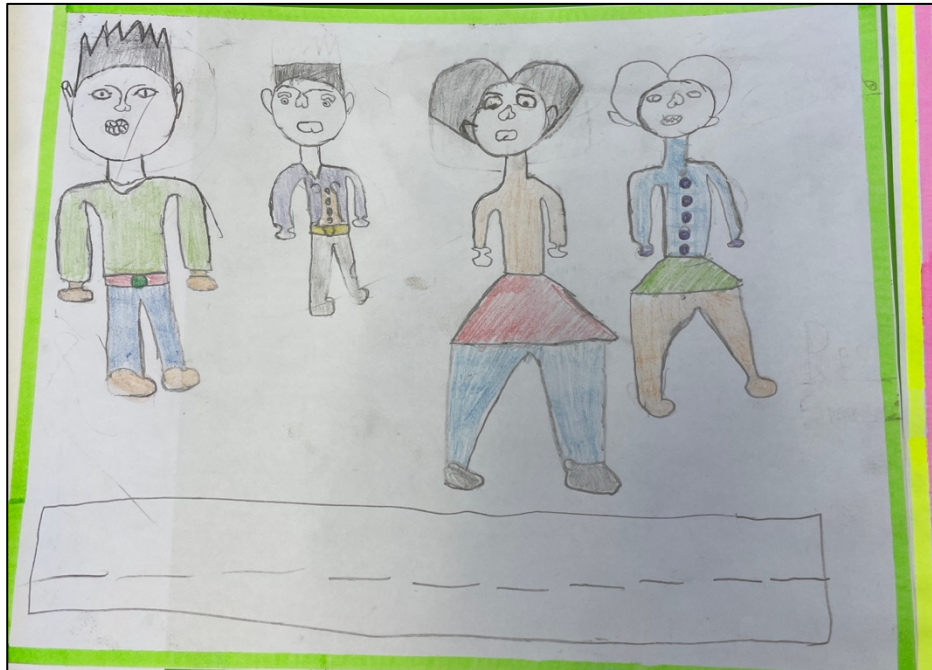

The following partners have played a valuable role in the co-creation of this storybook:

The North West Province Department of Education, Ngaka Modiri Molema District, South Africa.

The Department of Basic Education, Directorate: Rural Education, South Africa.

London South Bank University, United Kingdom.

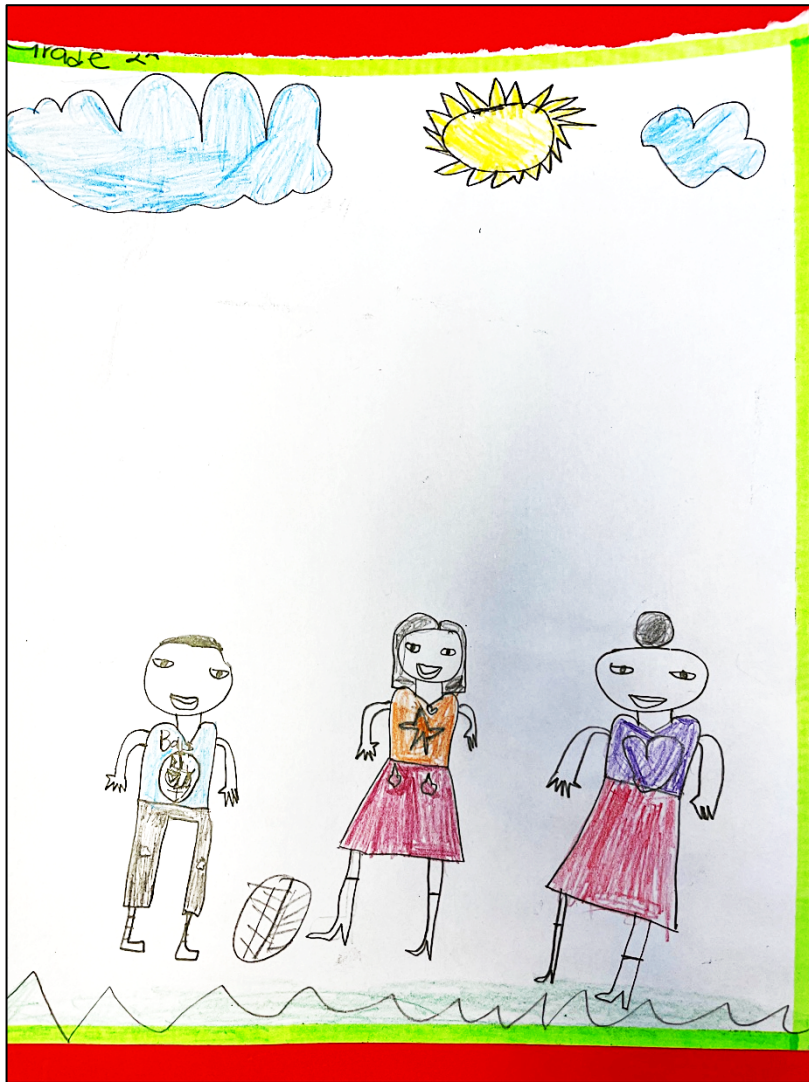

The Economic & Social Research Council (ESRC) (ES/T005149/1), United Kingdom (funder).

Lesedi was playing outside with his friends. They played in the sun and threw stones at each other.

Thabang hit Lesedi in the eye with a stone, and Lesedi's eye bled and became swollen.

His friends ran to Lesedi's home to ask his parents for help.

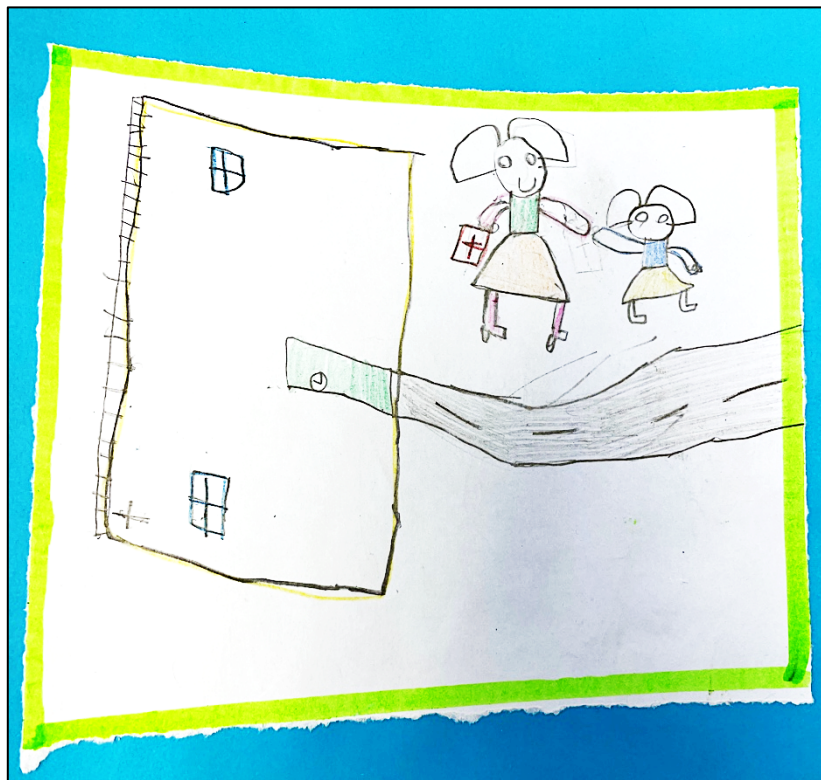

Soon Lesedi's parents
arrived and rushed him to
the hospital.

At the hospital, the
doctor attended to his
eye and put a bandage on
it.

The doctor gave him
medicine, and he went home
with his parents.

Lesedi was very happy
that he was healed.

Lesedi taught his friends
to take care of themselves
and their bodies when they
play.

Lesedi and his friends then
started to be careful and
kept themselves clean.
They were happy all the
time.

The contents of this booklet can be copied, translated or adapted as long as the relevant sources have been acknowledged properly.

Take care of yourself
