The Department of Basic Education, Directorate: Rural Education, South Africa.

London South Bank University, United Kingdom.

The Economic & Social Research Council (ESRC) (ES/T005149/1), United Kingdom (funder).

It was Friday when we
took the bus to Mahikeng.

Gontse became ill on the way. The teacher took him to the clinic.

When they arrived at the clinic, the doctor asked the teacher what the problem was. The teacher answered, "Gontse is ill".

The doctor examined
Gontse, gave him
medication, and told the
teacher that Gontse
would be well soon.

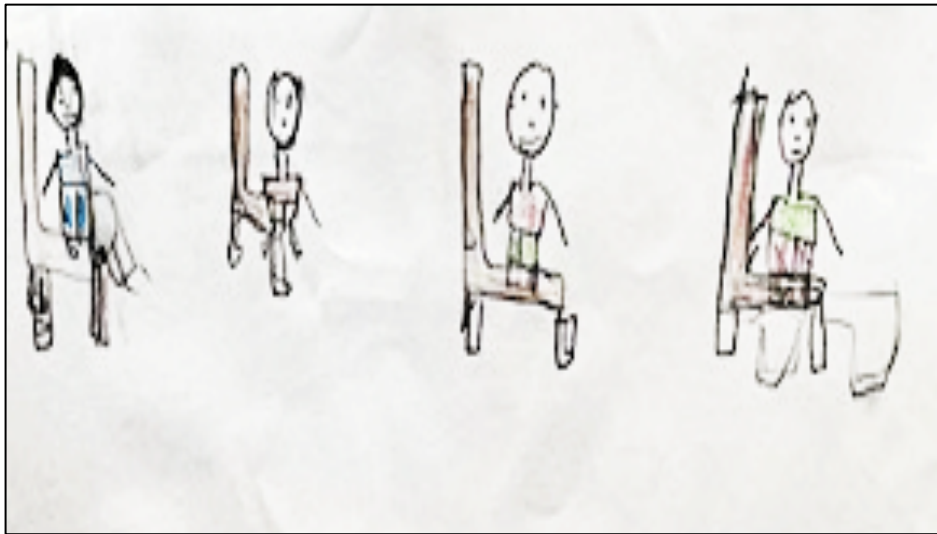

The teacher and Gontse got back on the bus, and we continued our trip.

We were looking outside
the windows at the beauty
of nature.

When we arrived in Mahikeng town, Gontse told the teacher that we were hungry, and then the teacher took us to KFC to buy food and drinks.

Afterwards, we went to
the singing competitions
where we found other
schools.

They called our school. We sang very well, and we were winners. The teacher shouted, “I am very proud of you”, my children, she said happily.

We all went home very
happy.
