## Acknowledgements

The following partners have played a valuable role in the co-creation of this storybook:

The North West Province Department of Education, Ngaka Modiri Molema District, South Africa.

The Department of Basic Education, Directorate: Rural Education, South Africa.

London South Bank University, United Kingdom.

The Economic & Social Research Council (ESRC) (ES/T005149/1), United Kingdom (funder).

Sophie is a tall, beautiful girl. She lives in a village named Ramosadi.

Her friends are  
Lethabo, Bokang and  
Patience.

She is the best at rope skipping in her school.

One day when skipping rope with her friends, she tripped on a rock, fell and cried, "Ouch, ouch, ouch, my leg is painful!"

Her friends Lethabo,  
Bokang, and Patience  
came  
to help her by gently  
massaging her hurt leg.

Lethabo said to her,  
"Sophie, here is some  
medicine. It will help you".

Sophie's leg started to feel better. All of her friends came together to help her feel better and give her love and support.

Sophie started to feel better. Her leg healed, and she could continue playing with her friends and was very happy.

The contents of this booklet can be copied, translated or adapted as long as the relevant sources have been acknowledged properly.
