Acknowledgements

The following partners have played a valuable role in the co-creation of this storybook:

The North West Province Department of Education, Ngaka Modiri Molema District, South Africa.

The Department of Basic Education, Directorate: Rural Education, South Africa.

London South Bank University, United Kingdom.

The Economic & Social Research Council (ESRC) (ES/T005149/1), United Kingdom (funder).

This is Jacob. He is nine years old. He lives with his mother, Mmapula.

Jacob's mother drinks alcohol every day. She does not cook. She does not have time for Jacob. She does not bathe him.

5

Jacob is often dirty. He cannot bear the pain of hunger. He eats from the dustbin. He does not attend school regularly.

6

Jacob started feeling ill.
He ate rotten food. He
had a stomach ache.

The neighbour asked Jacob's mother to stop drinking alcohol. She told her to take care of her child. Jacob's mother decided to change so that she could be a good example to her child. She took Jacob to the clinic.

At the clinic, they gave him medicine. They returned home.

13

Jacob's mother woke up early in the morning. She bathed him. Jacob brushed his teeth.

14

Jacob started becoming a clean child.

It is time to eat. I wash my hands before I eat. I eat healthy food. Fruit and vegetables.

The contents of this booklet can be copied, translated or adapted as long as the relevant sources have been acknowledged properly.
