Kesaobaka lived with her mother.

They were great friends because they did many things together, such as playing games.

One day, while they were playing, Kesaobaka fell to the ground, and got hurt.

Kesaobaka's mother called  
the doctor.

The doctor gave  
Kesaobaka medicine to  
drink and told her to rest.

The next day, Kesaobaka  
felt full of energy and  
happy to be healed.
