There is a boy named Molefe at Koi-Koi village.
Molefe was clever and loved livestock.
He took the cows out of the kraal and followed them with his book in hand.
While Molefe was herding the cows sitting under the tree reading his books, he raised his head and found them gone.
Molefe went back home thinking he would find them in the kraal but found some of them missing.
He rode a horse and went to search for them until he found them.
Molefe was happy, because he found them.
Molefe
