Acknowledgements

The following partners have played a valuable role in the co-creation of this storybook:

The North West Province Department of Education, Ngaka Modiri Molema District, South Africa.

The Department of Basic Education, Directorate: Rural Education, South Africa.

London South Bank University, United Kingdom.

The Economic & Social Research Council (ESRC) (ES/T005149/1), United Kingdom (funder).

On Friday, Bakang asked his friends Thabang and Tshupo to do their homework together.

The friends had agreed to meet in the afternoon at 2 o'clock. Bakang and Tshupo continued with homework because Thabang was running late.

5

Thabang arrived at 3 o'clock and he got frightened by a dog named Bobby, "Hou! hou! hou!", barked Bobby. Thabang got very scared, and he threw a big stone at the dog, and ran away.

6

Bakang went outside to see what was happening with his dog.

Bakang found that his dog
was unable to move; its
leg was hurt.
The dog cried a lot.

Bakang's father asked Bakang to carry the dog to the car. Then he took it to the veterinarian.

The vet told Bakang that it shows that he loved his dog very much. He also told Bakang that he should not worry because his dog would be fine. The doctor put a bandage on the dog's leg.

After five days, Bobby was cured. He was able to walk with all four legs again.

Bakang was happy to see
that his dog is fine.

Bakang played with his dog
the whole day.

The contents of this booklet can be copied, translated or adapted as long as the relevant sources have been acknowledged properly.
