Acknowledgements

The following partners have played a valuable role in the co-creation of this storybook:

The North West Province Department of Education, Ngaka Modiri Molema District, South Africa.

The Department of Basic Education, Directorate: Rural Education, South Africa.

London South Bank University, United Kingdom.

The Economic & Social Research Council (ESRC) (ES/T005149/1), United Kingdom (funder).

Rethabile likes walking with his dog when he goes to the shops or for exercise. His parents did not like it because they noticed that the dog was dangerous.

He does not like being away from his dog for a long time. Every day before he bathes, he bathes the dog first.

One day when Rethabile was walking with his dog to a training session, it broke loose and bit Ati.

When Rethabile's parents noticed that he was gone for a long time, they went to look for him to ensure he was safe.

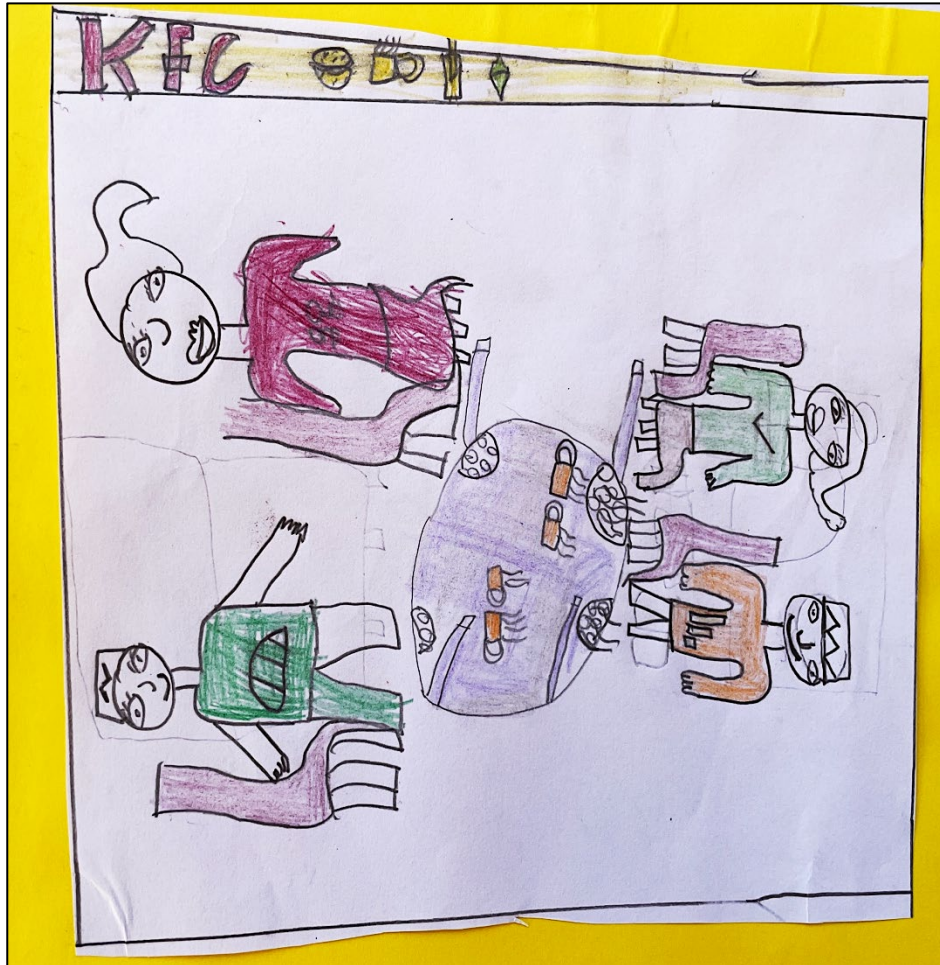

Mr Jabu and Miss Nomsa
took Ati to the clinic. The
Doctor checked Ati.

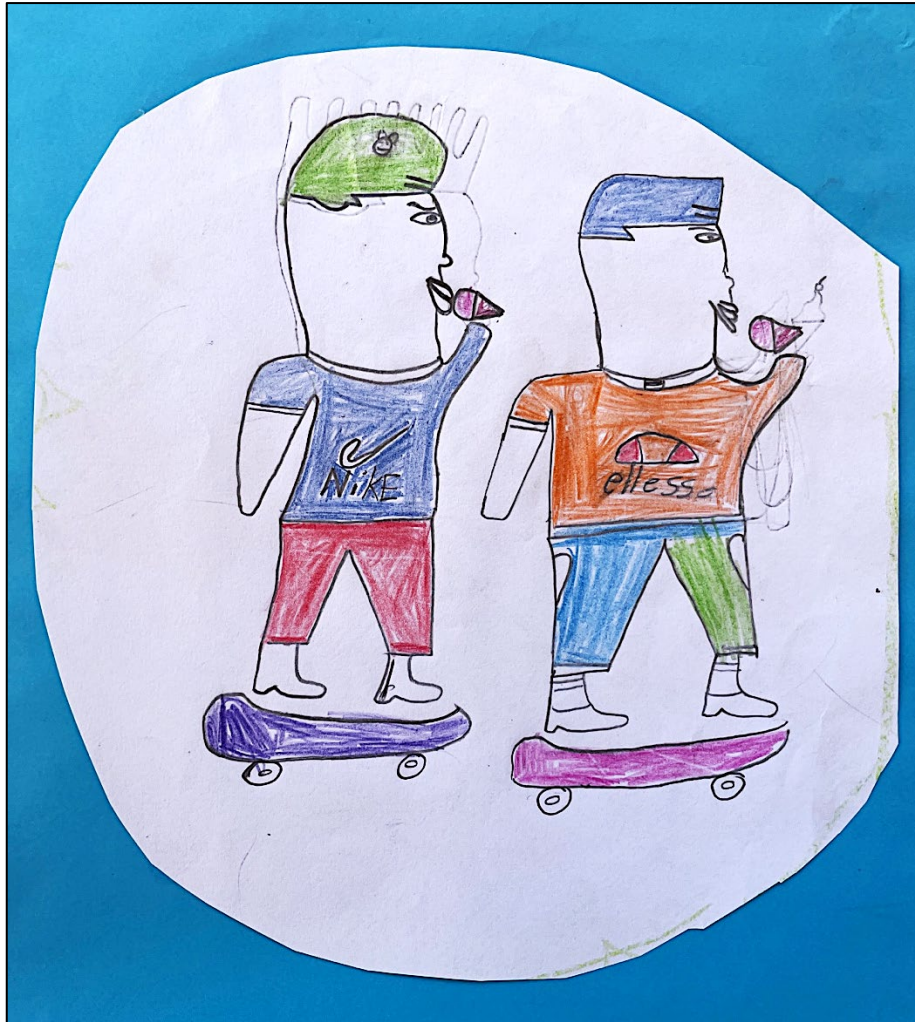

"The dog only scratched himself", said the doctor, giving him medication.

Mr Jabu and Miss Nomsa,
Rethabile's parents,
became friends with Ati's
parents.

One day Rethabile and Ati's parents went to a restaurant to have lunch together.

Rethabile and Ati ate ice cream and they were happy.

The contents of this booklet can be copied, translated or adapted as long as the relevant sources have been acknowledged properly.
