It is Friday afternoon. Mpho is preparing herself to go to Lesego’s birthday party.
When Mpho arrived with her dog at the party, they found many people.
Lesego’s mother was happy to see her friends at the party.
It was fun. We ate pap with all kinds of meat.
When we finished eating, three thieves entered. They fired a shot into the air. The people at the party ran to the house.
After the thieves left, Mpho realised that her dog was missing.
They called the police to inform them about the incident at the party.
Mpho started to look for the dog on the street. It is her responsibility to take care of the dog because it protects her at night.
The police arrested the thieves, and Mpho found her dog.
They went back to the party again to go and celebrate together because Mpho found her dog, and the thieves were arrested.
