Once upon a time there
was a girl called Lerato.

Lerato had long hair. Her father made sure that Lerato's hair was always beautiful.

At Lerato's school, they
did not like her hair
because it was too large.

Other learners at school were always complaining that Lerato's hair was obscuring their view in the classroom.

The teacher said to
Lerato: “Cut your hair. It
is not suitable for school”.

Lerato was very sad. She
told her father. Her
father comforted her.

Lerato and her father
made a plan. Her father
plaited Lerato's hair. Her
hair was flat.

At school, they were very happy with Lerato because of the new hairstyle.
