I am a new girl in this village.
I do not know anyone, and I am new in the school
Hello Neo are you well? My name is Jabu, would you like to be my friend?" "Hello Jabu, yes I would like to be your friend", said Neo.
"I would like to celebrate my birthday with my classmates. My birthday is coming soon and I am turning 8-years-old", Neo said.
“Mother can you please arrange a birthday party for me? I want to celebrate with my new friends from school,” my child, I do not have the money to arrange the party for you,” mother said.
"Neo are you okay? Why do you look so sad these days?"
"I was asking my mother to arrange a birthday party for me, and she said she does not have money".
"Neo you are not doing well in your schoolwork. Are there problems at home?" the teacher asked.
The teacher called Neo's mother to school and asked about Neo. The teacher told her that Neo is not doing well. Neo's mother told the teacher what is bothering Neo.
The teacher came up with a plan and ask Neo’s friends to donate some money so that they can have a party for Neo.
Neo's friends did exactly that. The day of the birthday celebration arrived and it was well done. Neo was very happy and excited.
