Itumeleng is the only child at home. He is ten years old, and very clever.
Itumeleng lives with his grandmother, grandfather and Kelebogile at home.
Itumeleng’s grandmother did not like Kelebogile, and that hurt Itumeleng a lot.
Kelebogile became ill unexpectedly.
Itumeleng ran to the neighbours to borrow money so he could take Kelebogile to the hospital.
The neighbours managed to help Itumeleng by giving him R300.
When they got to the hospital, the doctor found that Kelebogile had a lung problem. He helped by giving her medication and an injection.
Kelebogile got better, and they went back home. Itumeleng went to the neighbours to invite them for dinner.
The grandmother felt ashamed when she saw Kelebogile and Itumeleng come to the house. The grandfather told the grandmother to apologise to Kelebogile and Itumeleng.
Kelebogile and Itumeleng accepted her apology, and they started to celebrate together with their neighbours.
Be happy
