The queen entered a beauty pageant at Ramosadi village.
Her friends discouraged her because they were thin, and she was chubby.
However, she did not hesitate to enter the competition.
The day of the competition arrived. She got ready and entered the competition.
The queen won the contest because she is a queen with dimples. She smiled like the morning star.
It was like taking a milk bath with water. Her body was shaped like a real African’s.
She was very happy. She encouraged people not to live according to what other people said.
The queen’s day
