Lesedi is a smart girl. She is polite and likes to help people. She lives in Slurry with her grandmother, Mmamosa.

Lesedi and her grandmother planted a fruit and vegetable garden in the backyard. They love it and take care of it.

At home, Lesedi helps her grandmother with chores and also waters the garden to keep it healthy and growing.

She was in Grade 4 and  
very good in Mathematics.

Teachers also loved her,  
and she enjoyed her school  
work.

During the exams, Lesedi's friend Karabo had problems with mathematics.

Karabo asked for help because she knew that Lesedi was good with mathematics.

/5

Lesedi was also preparing for the examinations and was happy to help her friend with mathematics.

/6

Karabo was happy and proud of his friend Lesedi for helping him to understand the mathematics examination.

Karabo is happy with his mathematics results and cannot thank Lesedi enough.

The contents of this booklet can be copied, translated or adapted as long as the relevant sources have been acknowledged properly.
