Modisaotsile was born to a family of childless parents.

They had livestock, but did not have anyone to take care of it.

After having a son, they called him Modisaotsile because in him there was a shepherd who would take care of their livestock.

When Modisaotsile grew up, they saw he was a good shepherd.

Modisaotsile became the
best shepherd.

His parents were pleased
with his good work in
taking care of their
livestock.
