

## Supplementary Material

**Figure S1.** Venn diagram showing the absolute number and percentages of diagnoses associated to catatonia. Psychiatric diagnoses were coded as F30-F39, F20-F29, F40-F49, F10-F19, F50-F69, F91-F94, F98, F70-F90, F95. Other medical conditions were coded as F00-F09 or non-F codes.

**Figure S2.** Number of hospitalisations for all psychiatric disorders in metropolitan France by month, from 2015 to 2022, using a polar plot (A) and a line chart (B).

**Table S1.** Full list of ICD-10 codes included in “Other medical conditions”, with number (*n*) of patients having each code.
