## Title of Project: **Life Study**

Thank you for reading the participant information. If you would like to take part, please initial to show you agree to each of the following statements and then sign at the bottom of this page.

TAKING PART IN LIFE STUDY	Initials
I have read and understood the leaflet "New Baby? Congratulations. Take Part in Life Study" and the booklet "About Life Study: Information for families taking part" v1.0, dated 18/05/2015. I have had the opportunity to consider the information and ask the interviewer questions.	
I confirm that I am the mother or legal guardian of the child named above.	
I understand that my participation is voluntary and that I am free to withdraw at any time, from all or part/s of the study, without giving any reason.	
I agree to take part in Life Study.	
I agree I and my child may be contacted in future about Life Study.	
I give permission for those regulating the Life Study researchers at UCL to have access to my and my child's information collected for Life Study. This is on the condition that they are only allowed access to such data that are needed to check Life Study is being carried out correctly, and for no other purpose. <sup>1</sup>

<sup>1</sup> The authorised persons will all have a legal duty to keep your data confidential.

We would like your permission to collect some information about you so we can understand how health and other life events are related. This is sometimes called ‘information linkage’ because we link one type of information (for example, Life Study) to another source (for example, routine health records). This part of the form sets out the types of information we would like to request.

We only give organisations that hold these records some essential personal details so we can be sure that they find the correct records to provide the information that has been requested. No other information collected during Life Study will be provided to them.
