# Dads-to-be

## We need you!

### Take part in Life Study

How are new technologies changing families and children's lives?

What role do dads play in preparing children for school?

### New research in your local area about babies and families

If your partner is at least 20 weeks pregnant, you can both get in touch with our research team on 020 8970 8281 or email [midwife@lifestudy.ac.uk](mailto:midwife@lifestudy.ac.uk) to find out more.

# Having a baby? Congratulations! Take part in Life Study

How do families  
and communities  
affect children's  
lives?

How are new  
technologies  
changing families  
and children's  
lives?

## New research in your local area about babies and families

If you or your partner is at least 20 weeks pregnant, you can both get in touch with our research team on 020 8970 8281 or email [midwife@lifestudy.ac.uk](mailto:midwife@lifestudy.ac.uk) to find out more.

# Is your partner having a baby? Congratulations! Take part in Life Study

Why are asthma  
and eczema so  
common?

How does talking  
to babies help  
their speech  
development?

## New research in your local area about babies and families

# Having a baby? Congratulations! Take part in Life Study

Why are asthma  
and eczema so  
common?

How do we make  
sure children have  
strong immune  
systems?
